Youth Hostel

It couldn't be more central: In the baroque heart of Solothurn, the "city of 11", you will spend the night directly on the Aare and overlook the roofs of the old town. This makes the location perfect for any type of seminar and event. Located a few minutes from the station, you can reach us from anywhere in Switzerland without any problems.

The location in the centre of the old town presents an ideal opportunity to organise a supporting programme for the event. In addition, you can take your breaks directly by the Aare and immerse yourself in the flair of the old town.

The youth hostel also provides the perfect infrastructure to optimally organise your seminar. We will be pleased to provide you with reasonably priced catering.
