YOUTH HOSTEL EXCLUSIVE RENTAL

Celebrate when you get the chance! Our wide range of youth hostels are just the right place. From weddings to family celebrations and birthdays, to outings with good friends or the sports club: We cater exactly to your needs. Many of our beautiful buildings are well-situated and surrounded by nature.

Benefits:

- Rent the entire building and celebrate undisturbed
- Inexpensive and trouble-free: the perfect party for every budget
- Ultra-flexible: from cooking yourself over barbecue to banquet
- Accommodation included: Enjoy the event together until the end without anyone having to drive home: breakfast the next day is included!
- Play areas for children are available

Event spaces:

Our hostels are as individual as your party! Whether historic in a castle, romantic in an art nouveau house or more modern, we operate around 50 completely individual hostels. We also offer a wide range of spaces for the event: Gardens, terraces, banquet halls or restaurants. For all outdoor locations, we can always offer an alternative in case of bad weather. In addition, with an exclusive rental, you can spread out quite flexibly in the building.

Catering/menus/F&B:

Apéro riche, coffee and cake, barbecue or classic banquet: we serve you the perfect menu for your occasion. Depending on the hostel, external catering or self-cooking is also available as an option.

Organize your party with us

Our packages with exclusive rental including overnight stay, breakfast and dinner are available from CHF 70 per person (depending on the hostel, season and requirements).
