## Davos Youth Hostel

Countless spa guests can't be wrong: people have been enjoying fresh air, cool mountain lakes and an incredible Alpine panorama in Davos for around 150 years.

Situated in a renovated sanatorium, Davos Youth Hostel welcomes you in style with its antique recliners, sunny location and an incredible view across the village and peaks of the Grisons mountains.

With the Parsenn funicular railway close by, you can enjoy a variety of activities, and many are free or heavily discounted with the guest card. In summer, you can meet up at or on Lake Davos, and the mountains promise both adrenaline hits for bikers and active experiences for hikers. In winter, you can whiz past numerous snow-capped peaks in one of the winter sport arenas' six skiing areas. This is an ideal way to round off your event with outdoor activities.
